EVERY FAMILY RECEIVES A 20x25CM FRAMED PRINT

HOW IT WORKS & WHAT YOU RECEIVE

Families will cherish the memories captured by our professional photographers. All photos conveniently taken at your school! Once booked and dates confirmed, the school will be sent a link to the online booking form to distribute to families.

Session fee is \$25.00 - Paid at time of booking.
Each session includes 8 poses and every family receives one 20x25 framed photograph **FREE**.

Choose a standard backdrop or Christmas theme.
The school must select the backdrop prior to photo day.

Families have the option to purchase extra image sets taken on the day. We offer a selection of various sized prints to suit everyone's needs.
Extra prints make great presents to share with grandparents, uncles, aunties and friends.

NOTE: NO refunds will be issued if a family misses their photo session.
The \$25 fee will be paid direct to the school as a donation.
